

## Terms & Conditions – KTI Impact Awards

- The KTI Impact Awards are open to all publicly funded Research Performing Organisations (RPOs) in Ireland.
- Submissions should relate to projects realised during 2017. Depending on the category, the underpinning knowledge transfer may have occurred in previous years.
- Submissions should be made via the Technology Transfer Office (TTO) or Industry Liaison Office (ILO) within the RPO except for the Knowledge Transfer Achiever category for which submissions may be made by any employee of the TTO/ILO.
- Only one nomination per RPO is permitted in each category but an RPO may enter as many categories as it likes.
- Submissions must strictly observe and not exceed the specified word count or risk being eliminated from the process.
- Submissions will only be accepted through the online application form available on the KTI website. No supplementary documentation will be accepted as part of the submission.
- Information presented in the awards submissions may be used by Knowledge Transfer Ireland for promotional purposes – unless otherwise specified. Please indicate where information is confidential. Permission to use elements of any submission will be sought in advance.
- The judging panel reserves the right to reallocate submissions to a different award category if appropriate.
- The judging panel reserves the right not to award in a category in certain circumstances.
- The judging panel's decision is final.
